

## Pine Forest Baptist Free App

We are excited to launch our 1<sup>st</sup> ever Pine Forest Baptist Church mobile app. The app grew out of a need to communicate with our church family during pandemics, storms, and other emergencies. You can download the mobile app on cell phones and tablets of all kinds. The mobile app offers the church ways to communicate directly with you through push notices. You can access the church calendar, orders of service, prayer list, videos of bible studies, Pastoral messages, children's messages, bible app, and online giving in a format that fits your mobile device. It's also an excellent way for prospective members to learn about our church and interact with us.

Use this link to download the app - <https://subsplash.com/pineforestbaptistchurch/app>.

Then

Choose **iTunes App Store** for iPhone and iPad.

Choose **Google Play Store** for Android phones or tablets.

Choose **Amazon App Store** for Amazon Tablets.

**Or- scan this QR Code with your phone or tablet camera, then choose your mobile device store.**

**Please note that all online giving will transition to this app by the end of January.** If you have reoccurring giving on our other giving app, please close that account and set up your reoccurring giving on this new app. If you prefer to not use the app, you may donate from your browser link. See this short [video](#) for instructions.

**Please note** - to receive notices from the church. You must allow **Push Notices** on the app.

Remember, we are here to help if you have trouble downloading the app. For help, call the church office. We pray this app helps your service of the Lord and in staying connected to our church family.
